

JTED

AUTOMOTIVE

JTED's expert Automotive instructors teach students how to diagnose and repair automobiles and light trucks by offering hands-on experience in a fully-equipped garage, and by using CDX interactive computer software. Our CDX automotive training system makes learning all aspects of automotive repair fun, relevant and thorough.

In the Auto Program, you'll evaluate and repair brake systems; diagnose and fix electrical and electronic systems; and work on steering and suspension systems; in addition to general engine performance diagnosis and repair.

Careers

- Automotive Technician
- Dealership or Repair Shop Service Advisor
- Auto Parts Sales Person or Manager
- Tire Technician
- Automotive Fleet Manager
- Collision Damage Appraiser

THE ENROLLMENT PROCESS

Enrollment begins in January

Placement is on a first-come, first-served basis, and some programs may have an enrollment deadline. If you have questions, or need assistance choosing the right program, please contact your high school counselor or JTED Enrollment Services.

Application & Enrollment

Visit www.pimajted.org and enroll online. (Paper forms are available upon request.) You will receive an invitation to a JTED Registration Event via e-mail.

You will need to provide:

1. A copy of your birth certificate
2. A copy of your current immunization records
3. A copy of your most recent transcripts*
(*For Cosmetology and Nursing Services Students only)

Please check the 2012-2013 Program Guide online for program requirements or prerequisites.

Eligibility

All Pima County JTED programs are free and open to any sophomore, junior, or senior high school age student who resides in a Pima County JTED member district.
